Summer Listening Tour

This summer, the WeMB team is hitting the road to connect with women+ entrepreneurs in communities across Manitoba—and **we'd love to hear from you!**

As part of our Summer Listening Tour, we're bringing together voices from across the local business community for a **light breakfast** and an **open, honest conversation** about what's working, what's missing, and how we can better support business growth across Manitoba.

Whether you're celebrating successes, navigating challenges, or seeing opportunities for the future, **your experiences and insights matter**. The conversations we have during this tour will help shape how WeMB continues to develop programs, services, and resources that better support entrepreneurs across Manitoba.

Your voice.
Your community.
Your business.

Together, we can build a stronger, more inclusive entrepreneurial ecosystem for all women+ in Manitoba.
